I. OVERVIEW

A. Background

Declining downtowns have been a concern in Kentucky and the United States for the last 50 years. In 1979, the Kentucky Heritage Council initiated the Kentucky Main Street Program to target the preservation and adaptive reuse of historic buildings in Kentucky's downtowns. In the fall of 1996, a 26-member committee was appointed to study Kentucky's downtowns and submit recommendations on how to strengthen the state's assistance to cities with downtown revitalization. The result was Renaissance Kentucky – a program which represented an alliance of both state and non-state agencies and organizations focusing resources, funding and expertise on the issue.

In 2004, the Office of Renaissance Kentucky was realigned to the Governor's Office for Local Development (GOLD) as part of Governor Ernie Fletcher's streamlining of state government. GOLD administers numerous state and federal grant programs, therefore it was determined that the program would benefit from and align better with the mission of GOLD.

In February 2005, Governor Fletcher unveiled Renaissance on Main with new style and programmatic changes to enhance the already successful Renaissance Kentucky program. Although GOLD continues to administer the program, the Renaissance on Main Alliance plays a critical role in the implementation of this program. The Renaissance on Main Alliance is comprised of representatives from the following agencies:

- GOLD (Lead Agency)
- Kentucky Heritage Council's Main Street Program
- Kentucky Housing Corporation
- Kentucky Transportation Cabinet
- Kentucky Department of Tourism
- Kentucky League of Cities (KLC)
- Federal Home Loan Bank of Cincinnati

The Renaissance on Main Alliance acts as an advisory committee to the Renaissance program, while bringing together federal, state and local expertise and resources to address a host of issues that adversely impact the redevelopment and revitalization of downtown communities. Bringing together the above-listed entities assist the communities with leveraging available funding sources. The Renaissance program is not intended to replace existing state and federally funded programs, but is rather an enhancement.

The relationship between Renaissance on Main and Main Street has developed since the inception of the program in 1996. The National Main Street Program provides the local organization based on the Main Street Four-Point Approach™: organization, design, promotion, economic restructuring. Upon designation as a Renaissance on Main city, cities are also part of the Kentucky Main Street program, as the criteria required for the Renaissance on Main certification reflects the Main Street criteria. It is anticipated that the local Renaissance Committee and the Main Street Board are one in the same and that the principles and methods of Main Street philosophies are followed in everyday management of the local program.

Beginning in 2006, the Renaissance on Main Alliance designated the Kentucky Heritage Council for the task of certifying local Main Street programs for eligibility as participants in Renaissance on Main programs.

The process outlined in these guidelines is effective beginning in January 2006 and is based on the national Main Street 4-point approach to downtown revitalization. This downtown revitalization approach has proved successful for over 25 years in Kentucky, and also nationally, and is a proven economic development program for downtowns that incorporates historic preservation as a key strategy.

B. Purpose

The primary focus of the Kentucky Main Street program is sustainable economic development compatible with historic preservation through job creation in downtown communities. The purpose of the funding program through the Renaissance on Main program is to recognize and reward Kentucky cities that proactively take steps to revitalize and maintain safe, vibrant and economically sound development in downtown communities. While construction of new facilities can be an option, Renaissance on Main encourages the adaptive use of existing buildings with particular emphasis on the preservation of historic or unique facilities. Renaissance on Main funding is made available through the Commonwealth of Kentucky's General Assembly. The amount of funding available annually for the Renaissance on Main program is determined by the Kentucky General Assembly through the passage of Kentucky's biannual budget. The Renaissance on Main Funding Guidelines and Application are available from the Governor's Office for Local Development.

II. PROGRAM REQUIREMENTS

A. Designation Status

The Kentucky Main Street / Renaissance on Main Program has two designations, which are: **Candidate and Certified Programs**

i. Candidate

Candidate status is the entry designation into the program and the temporary status awarded to a program that may not qualify for certification due to changes in local administration. A program will remain a candidate until a program representative has completed the requirements for certification. A city can remain at candidate status for 24 months. If a city has not achieved certified status after a 24-month period, the city shall lose Kentucky Main Street / Renaissance on Main designation. Candidate cities are not eligible to apply for funding.

The currently designated Candidate cities must submit the annual Letter of Commitment postmarked no later than **February 24, 2006** in order to demonstrate their continued commitment to the local Main Street program. Communities interested in initiating a local Main Street program must complete the Initial Application due **June 30, 2006**.

ii. Certified

A Certified Kentucky Main Street Program has met all the basic requirements of the Kentucky Main Street/Renaissance on Main program. This certification is issued annually and will qualify the communities to apply for Renaissance on Main funds. The annual re-certification requirements, which document the January-December 2005 timeframe, must be postmarked no later than **February 24, 2006**.

B. Staffing

All local Kentucky Main Street / Renaissance on Main programs must have a paid full or part-time Main Street manager on staff. Criteria for salaried positions are as follows for cities with a population of:

- 5,000 and under: Part-time salaried position
- 5,001 to 9,999: Full or part-time salaried position (determined by the city)
- 10,000 and above: Full-time salaried position

Shared positions are permitted, however the community must document a 20-hour weekly commitment for part-time required positions. Shared positions must provide detailed job descriptions noting weekly hour commitments and detailed job descriptions.

In the event the Main Street manager position is vacated during the calendar year, the local program shall make every attempt to fill the position within three (3) months. If unable to fill the position within those three (3) months, the program must be able to present documentation outlining the hiring strategy. Certified programs that do not fill a vacant Main Street manager position within six (6) months will lose their Certified

designation and become a Candidate program, making the city ineligible for funding. The city must reapply for Certification in the following year.

C. Training

i. Requirements

Candidate and certified programs must attend a minimum of three (3) trainings, during the calendar year, approved by the Kentucky Heritage Council annually. Approved training courses are posted online at the Kentucky Heritage Council's website, <http://heritage.ky.gov>

ii. Attendance Policy

The Kentucky Main Street training credit is awarded to the local program, not to individuals. In order for a city to receive the required training credit, a representative (mayor, main street manager, Renaissance on Main board members or approved representative from the city) must attend a minimum of three (3) required trainings.

iii. Credit Eligibility

The Kentucky Heritage Council sets and approves all Main Street / Renaissance on Main eligible trainings. In order to receive credit for attending trainings, training attendees must sign the attendance sheets available at each training session and register their training credits annually with the Kentucky Heritage Council.

III. KENTUCKY CANDIDATE MAIN STREET PROGRAM

A. New Main Street Programs - Cities interested in applying to the Kentucky Main Street Program and/or Renaissance on Main program must first complete the Main Street Application. Communities that meet the Kentucky Main Street criteria and are invited to participate as a Candidate City. New cities are encouraged to demonstrate progress in the Main Street Four-Point Approach™: organization, economic restructuring, design and promotion. Applicants should demonstrate strong organizational support through broad public and private sector representation. Also, a financial (cash and in kind) commitment to support the local Main Street Program will weigh into the selection process. Candidate Cities have two years to achieve Certified Main Street Program status. Participation as a Candidate City does not guarantee selection as a Certified Kentucky Main Street program.

Candidate Cities may request one-on-one introductory assistance from the staff of Renaissance on Main and Kentucky Heritage Council. Assistance will outline components of the program, requirements in deadlines and answers any questions a city may have upon entering the program. Introductory session appointments are made on a first come, first served basis. In addition, new programs are eligible to participate in annual Main Street trainings. Candidate cities are not eligible for funding. New Candidate programs will be designated annually during the month of August. Candidate Cities may apply for certified status during the February cycle following their acceptance into the program.

All incorporated cities within the Commonwealth of Kentucky are eligible to submit an application (see Appendix A). Unincorporated cities within the Commonwealth of Kentucky are only eligible for consideration if sponsored by county government. Cities wishing to initiate a local Kentucky Main Street program must submit an application postmarked no later than **June 30, 2006**.

B. Current Candidate Programs (Year 2) - Current Candidate Programs that want to renew this status for a second year must submit the annual Letter of Commitment and other required documentation of progress made in first year postmarked no later than **February 24, 2006**. This documentation should follow the same outline as noted in Appendix B and Appendix C for renewal of Candidate status. It is likely the program will not be able to respond to all requirements of Appendix B; however, it is required to respond to as many of these items as possible to reflect the local program's activity during the first year.

Local programs can remain in the program as a Candidate program for two years. After two years it is expected that the program should be able to attain full status as a Certified Kentucky Main Street program. Candidate programs are eligible for training and services, but are not eligible for designated Renaissance on Main funding.

C. Temporary Candidate Status – Previously Certified Kentucky Main Street programs that do not comply with all the reporting requirements will revert to Candidate status. This will likely reflect an extended vacancy of the local Main Street manager position but it may also reflect a lack of participation in the required training programs for the previous year. A Candidate program in this status may apply for Certification at the next Certification deadline.

After two years it is expected that the program should be able to regain full status as a Certified Kentucky Main Street program. Candidate programs are eligible for training and services, but are not eligible for designated Renaissance on Main funding.

IV. KENTUCKY CERTIFIED MAIN STREET PROGRAM

Kentucky's Certified Main Street programs must successfully complete the Initial Kentucky Main Street / Renaissance on Main Application and agree to be re-certified annually. Upon designation, cities are eligible to compete for funding opportunities.

Kentucky Certified Main Street programs must annually demonstrate reasonable improvement in meeting objectives in the Main Street Four-Point Approach TM. The deadline for the required documentation for re-certification is **February 24, 2006**. Previously designated Candidate Cities seeking Certified Status may also submit documentation by **February 24, 2006**. Certification information documents the January-December 2005 timeframe.

Previously Certified Programs that are unable to comply with the requirements for Certification will be designated as Candidate Programs and will be able to reapply for Certification the following year. After two years in Candidate Status and unable to achieve Certification, programs will be required to re-apply as a new program.

V. PROGRAM FUNDING ELIGIBILITY

A. Eligible Grantee

Grants are available through the Renaissance on Main program to those cities established as “Certified” Kentucky Main Street Program during the current year of eligibility (2006). The Kentucky Heritage Council as a member of the Renaissance on Main Alliance is responsible for determining the city’s status.

B. Eligible Project

Grant funds shall be used for capital projects that contribute to community and downtown revitalization projects in eligible cities. All streetscape design and façade activities must be accomplished in accordance with guidelines, rules and regulations, as published by the Kentucky Heritage Council and Kentucky Transportation Cabinet respectively. All plans must be reviewed and approved by Kentucky Heritage Council and GOLD. All work to historic buildings must be in accordance with Secretary of Interior *Standards for Rehabilitation* and be approved by the Kentucky Heritage Council and GOLD. A city may only submit one (1) grant application project per funding cycle. Please note that an application may only pertain to one (1) project.

C. Award of **Renaissance on Main** Grant Projects

All Renaissance on Main grants are subject to the final approval from the Office of the Governor following the recommendation of the Renaissance on Main Executive Director and members of the Renaissance on Main Alliance. In order for a project to be funded, a determination must be made regarding project need, reasonability of costs and overall project effectiveness. Additionally, each application must be signed by the Mayor (or County Judge) as well as the Main Street / Renaissance on Main Board and Manager and must include a Letter of Support from the Main Street / Renaissance on Main Program, as well as a Letter of Support from at least one (1) legislator in the district. The Grant Agreement will specify that all funds are made available on a reimbursement basis and require submission of adequate support documentation in order to receive funds. Once a project is approved, the scope of work cannot be substantively changed. The criteria for the approval of project requests and awards will include, but is not limited to:

- the number of jobs created or retained, directly or indirectly, as a result of the project;
- the degree to which stated community needs/priorities are supported;
- payroll revenues and state and local taxes generated from the employment created or preserved by the development project;
- the size, nature and cost of the development project, including job creation in enterprises consistent with the changing economies of the affected local units of government;
- the needs and the degree of the needs of the local units of government that will be affected by the development project;
- the amount and kind of assistance available from the government agencies;
- commitments of additional funding sources ;
- the amount of capital made available to the city by lenders and from the city’s own funds; and/or
- the economic feasibility of the project.

VII. ANNUAL LETTER OF COMMITMENT

A Letter of Commitment is required for all Second Year Candidate and Certified Kentucky Main Street Programs at the beginning of every year. This Letter of Commitment must be signed by the Mayor of the City (or the County Judge if an unincorporated city), the Chair of the local Main Street Board, and the local Main Street Manager if one is in place. This Letter outlines the responsibilities and expectations for the local program to be considered an active participant in the Kentucky Main Street Program and in the Renaissance on Main Program. The text for this Letter of Commitment is included in Appendix C.

Appendix C: Annual Letter of Commitment

This Letter of Commitment is the formal and binding statement of the plans, expectations and responsibilities required for certification by the Kentucky Main Street Program and the Kentucky Renaissance on Main Program from _____(city) (hereinafter referred to as “CITY”), and _____ (local Main Street / Renaissance on Main Organization) (hereinafter referred to as the “ORGANIZATION”). This commitment is for **January 1, 2006** through **December 31, 2006**.

The CITY and the ORGANIZATION commit to participate in the Kentucky Main Street Program and agree to:

1. Employ a local Main Street manager who will be responsible for the day-to-day administration of the local Main Street organization in the community. In the event the program manager is vacated during the term of this agreement, we agree to make every attempt to fill the position within three months or less. The local Main Street manager shall serve as a liaison between the community and the local government and shall report to the local government at least quarterly.
2. Establish and/or maintain an organization focused on downtown revitalization that includes representation from both the public and private sectors. This board must meet on a regular basis and maintain meeting minutes denoting the organizational business. The Board is encouraged to establish working committees including, but not limited to the following committees: Design, Economic Restructuring, Promotion, and Organization..
3. Work together to provide an adequate budget with funds necessary for operating a local Main Street / Renaissance on Main program office, implementing an active plan of work, and ongoing training of the program manager on board.
4. Develop and implement a comprehensive approach to downtown revitalization using the Main Street Four-Point Approach™ and Eight Principles ascribed by the National Main Street Center, including development of annual written work plan for the local Main Street organization.
5. Provide data and statistics for monitoring the progress of the local Main Street program by submitting required reports in a timely manner using the format provided by the Kentucky Main Street Program and provide other information requested by the Kentucky Main Street Program and Renaissance on Main.
6. Provide for the local Main Street manager and board member attendance at local, state and national training opportunities. The local program must be represented at a minimum of three (3) trainings approved by the Kentucky Heritage Council during the January-December timeframe. The ORGANIZATION shall be responsible for travel costs and other expenses associated with these meetings.
7. Provide copies of materials relating downtown revitalization efforts to the Kentucky Main Street & Renaissance on Main program.
8. Demonstrate timely and professional administration of grant funds.

IN WITNESS WHEREOF, the parties have agreed to this commitment.
